

Student Activities

The goal of Student Activities (<http://www.wofford.edu/sociallife>) at Wofford is to provide a wide variety of opportunities for a vibrant social life for all Wofford students. Wofford Activities Council is a committee of Campus Union responsible for planning and implementing campus-wide social, cultural, recreational and intellectual events throughout the year. WAC meets weekly to plan programs and events, including monthly trivia nights, movie nights, band parties, Homecoming, Spring Weekend, and Wofford's Got Talent. Fun Funds is the concert committee of Campus Union, responsible for hosting several large scale concerts throughout the year. Wofford Live also financially supports student-proposed events through the Campus Union proposal process. Students and organizations interested in hosting an event on campus can apply for funding through Campus Union.
