

The Honor Code

Because Wofford is committed to the moral growth as well as the intellectual growth of its students and staff, and because academic freedom and responsibility demand that members of the community embrace principles of good conduct, the college emphasizes personal integrity as its highest value. Dishonesty is especially destructive of the academic process. *The Honor Code* requires students to pledge honesty in their academic work and sets forth appropriate responses to those who violate that pledge. *The Honor Code* is published yearly in the *Student Handbook*.
