

Student Involvement

The staff in Student Affairs provides expanded programs, services, guidance and leadership opportunities that enrich students' educational experiences at the college. The staff and student leaders from more than 100 student organizations implement programs that encourage personal growth, promote civic responsibility, embrace differences, model responsible leadership, enhance Greek life, provide entertainment and engage students on campus and in the Spartanburg community.

The Student Affairs Committee, composed of members of the faculty, staff, and student body, is responsible for the recognition and regulation of student organizations. Applications (<http://www.wofford.edu/campuslife/charterapplication>) to charter a new organization can be found on the Campus Life website. More information about student activities may be found in the Student Handbook (<http://www.wofford.edu/uploadedFiles/studentLife/Student%20Handbook.pdf>).
