

# Minor Requirements

---

Minors involve substantial work in a subject, but offer less depth and integration of study than a major. More than half of the courses in a student's minor must be taken and successfully completed at Wofford. In addition, a student must earn a grade point average (GPA) of 2.00 in the courses that fulfill minor requirements in order for the minor to be posted to the final academic record. Courses taken that do not fulfill minor requirements do not factor into the minor GPA calculation. Specific requirements for each minor can be found under the Departments, Programs & Courses (<http://catalog.wofford.edu/archive/2021-2022/courses-programs-departments/>) section of this *Catalog*.

Minors are offered in the following areas: Accounting, Arabic Language & Culture, Art History, Business, Chemistry, Chinese Studies, Computer Science, Creative Writing, Economics, English, Environmental Studies, Film & Digital Media, Finance French & Francophone Studies, German Studies, Government, History, International Affairs, Mathematics, Music, Philosophy, Physics, Religion, Sociology & Anthropology, Studio Art, and Theatre.
