Student Activities

The goal of Student Activities (http://www.wofford.edu/sociallife/) at Wofford is to provide a wide variety of opportunities for a vibrant social life for all Wofford students. Wofford Activities Council is a committee of Campus Union responsible for planning and implementing campus-wide social, cultural, recreational and intellectual events throughout the year. WAC meets weekly to plan programs and events, including monthly trivia nights, movie nights, band parties, Homecoming, Spring Weekend, Wofford's Got Talent and a host of other large scale social events. Wofford Live is the concert committee of Campus Union, responsible for hosting band parties each semester and Spring Concert. Student organizations/clubs interested in hosting an event on campus can apply for funding through Campus Union.
