The Department of Accounting, Business and Finance offers majors in Accounting and Finance, and minors in Accounting, Business and Finance. Students majoring in either Accounting or Finance have a choice of earning the BA degree or the BS degree depending upon how they meet the college’s natural science requirement.

The Department of Accounting, Business, and Finance participates with the Department of Economics in offering the major in Business Economics and with the Department of Computer Science in offering the Emphasis in Information Management. These programs are described in detail within Economics and Computer Science programs, respectively.

Students majoring in Accounting or Finance may NOT major in Business Economics. The minor in Business is NOT available to students majoring in Business Economics.
