Physical Education (PHED)

The Department of Physical Education does not offer a major or minor. However, all students are required to complete one PHED course in partial of the fulfillment of the Wellness general education requirement necessary for graduation. Students may complete the course during Fall, Interim or Spring. Students are NOT permitted to earn more than two credit hours in Physical Education. Students taking a second PHED course should choose a different activity and thus a different course number from their previously completed class. For example, a student who completes PHED 103, Tennis, and wants to take a second PHED course should plan to take a course other than Tennis.

Instructors associated with the Department of Physical Education typically serve on the Athletics or Student Affairs staff in addition to teaching Physical Education.
