

Minor Requirements

Minors involve substantial work in a discipline, but offer less depth and integration than a major. More than half of the courses in a minor must be successfully completed at Wofford. In addition, a student must earn a grade point average (GPA) of 2.00 in the courses that fulfill requirements for the minor. Specific requirements for each minor can be found under the Departments, Programs & Courses (<http://catalog.wofford.edu/courses-programs-departments/>) section of this *Catalog*.

Minors are offered in the following areas: Accounting, Arabic Language & Culture, Art History, Business, Chemistry, Chinese Studies, Computer Science, Creative Writing, Economics, Education, English, Environmental Studies, Film & Digital Media, Finance, French & Francophone Studies, German Studies, Government, History, International Affairs, Mathematics, Music, Philosophy, Physics, Religious Studies, Sociology & Anthropology, Studio Art, and Theatre.
