

# Programs, Concentrations & Emphases

---

Wofford offers additional areas of study which are interdisciplinary in nature or specifically focus on one aspect of the student's chosen major.

Typically, programs are interdisciplinary fields open to all students, while concentrations and emphases are available only to students pursuing a specific major. Specific requirements for each can be found in the Departments, Programs & Courses (<http://catalog.wofford.edu/courses-programs-departments/>) section of the *Catalog*. Programs, concentrations and emphases are offered in the following areas (those that require a specific major are noted in parentheses):
